INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Dear Sir:-

My client, Mr. John W. Martin of 918 Larrabee St. S. Bellingham, Washington, advises me he has filed application No.25003 tp participate in the fund arising from the judgement of the Court of Claims in favor of the Eastern Cherokees and that his application has been received and filed.

If consistent with the business of your office, I would be pleased to receive such information as you can give me regarding the judgement, the act under which it was obtained and the probability of an early settlement toge ther ith information what, if any further proof will be required on behalf of Mr. John W Martin.

Hoping to receive your early reply, I am,

Yours truly,

J B Abrams

App. #25003.

July 29, 1907.

James B. Abrams,

Bellingham,

Washington.

Sir:-

Your letter of July 17, 1907, relative to the application of John W. Martin, for participation in the Eastern Cherokee fund, is at hand.

You are advised that the applications have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907 and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with the application of Mr. Martin he will be duly notified.

Very respectfully,

NLC.

Special Commissioner.

My n me i To Corntassel: I was enrolled as a half blo Cherokee: I was enrolled by the Dawes Commission under the name of Thomas Corntassel, #22466: my mother was a white woman, but my father was a full blood Cherokee: I was born in Going Snake District, 1860; my father was born in the old nation in the East: I don't know the name of my father's mother; my grandparents on my father's side were born in the old nation in the East; my grandparents and father came out with the Cherokees at the time of the emigration: my father was captain of one of the detachments that came out at the time of the emigration: none of my people were Old Settlers: I never received any Old Settler money; I was enrolled and drew the Strip payment in 1894: both I and the ancestors through whom I claim have always been Cherokees and have never taken up rights with any tribe of Indians other than the Cherokees: my father's father died in the old nation before the emigration, but my grandmother and my father and one of my brothers, Lewis, drew money in 1851: my people were enrolled in Going Snake District: my uncle, Ah-da-yah, was enrolled in Illinois District, I think. I have an aunt by the name of Che-yah-neh-nuh, Keh-tee-sah-tee was the name of a boy who lived with my parents: Kah-no-ske-skee was the name of a boy who lived with my parents (See Going Snake 274)

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, I beg to advise you that your application is too incomplete for us to locate the parties mentioned therein on the Cherokee rolls of 1835 or 1851. There are a good many people enrolled under the name of Blackbird, and in order to identify any of your ancestors on the rolls, it will be necessary for you to furnish us with the names of all the brothers and sisters of your parents, and the names of their parents.

Do you claim Cherokee descent through both parents? Do you claim your parents were on the roll of 1851. If so, under what names were they enrolled?

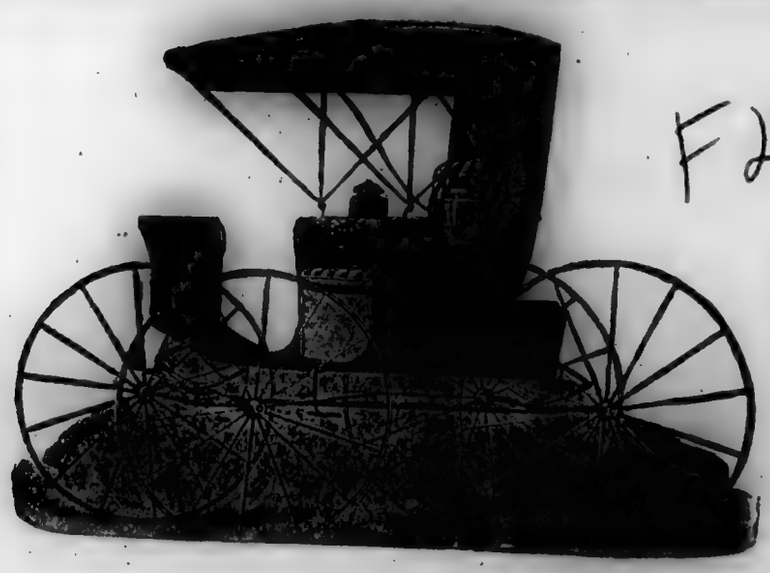

Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Did either of your parents or any of your other ancestors ever participate in any Old Settler payment? State when and where if they did.

Very respectfully,

FDR/LJC Special Commissioner.

Relative to your application for a share in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Cherokee descent whatever through your father? If so, why has he not made application?? What is his present address?

We note that you state in your application in one place that your grandfather, Allen Bowles, was an Indian. In another place you give the names of your paternal grandparents as John and Kitty Bowden. Which of these statements is correct?

Were you or either of your parents ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Kindly furnish us with a full history of your Cherokee ancestry. Reply promptly and refer to application #25036 with #25032.

Yours received in regard to the Cherokee Fund. At the dates stated in your paper. 1835 and 1851. My mother was living in 1851 and her grandfather Allan Bowles was living in 1835. Allan Bowles mother was a full blooded Indian I am in the place of my mother. as she has been dead 18 years. I inherit the Indian blood from my mother. my father is not concerned in the matter at all. The Indian blood comes from the Bowles on my mothers side. and

not from the Bowdens on my
fathers side. Allan Bowles moved
from the Eastern Cherokee nation
to Tennessee where he lived and died.
The Indian plot was sent to
Bob Bowles in Collinsville Texas
about 18 or 20 years ago. where he
has been working for the Claim.
It has been sent to you by Anderson
D. Eagle of Montana Ind Territory.
Through my father I do not
claim any Indian descent.
His present address is my address
Henry, Texas.
Allan Bowles mother was an
Indian. and she was my mothers
grand mother. And I am in the
place of my mother.

It is a mistake in regard to John and Kitty Bowden being cowarned in the claime. The cohut of claims sent two blanks to my two daughters. Cornelia and Myrtle Bille to be filled out. and on them wanted to know their grand parents on both their mother and fathers side. Neither my parents nor I were ever held as slaves.

My great grand father Allan Bowles is who I claim the Indian blood from. and allan Bowles is a grand father of my mothers.

Hoping this is sufficient

I beg to remain.

Very Respect

Where did the ancestor through whom you claim reside in 1835-6 and 1846?

An early reply, referring to No. 25036, will be appreciated.

They they were living in
Georgia in 1835 and 1836.
After that ~~in~~ between 36

died.

In regard to my ancestors

never being enrolled, They did not think it of any need for they did not think there would ever be anything in it.

Hoping this will be a sufficient reply and will also be satisfactory.

Sir:-

Replying to your letter of September 12, 1907, you are advised that your application for participation in the Eastern Cherokee fund has not been reached for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund.

As there are over 43,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Madam:-

Relative to your application for a share in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim your Cherokee blood and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were either of your parents or any of your ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Is George W. Ownsby your full brother? We note that a party by that name has application on file in this office and he gives his parents as John Holloway and Jane Ownsby, while you give yours as James Halloway and Jane Ownsby. He gives his maternal grandfather as Cass Ownsby, while you give your maternal grandparents as John and Winnie Ownsby. If he is a full brother to you, which of these statements is correct?

Kindly furnish us with a full history of your Cherokee ancestry. Also give the names of your parents' brothers and sisters.

Very respectfully,

FDR/LJC

Special Commissioner.

Sir - I have inquire for Mrs Nellie Carey Whether or not that her Children were on the Dawes Commission Roll. and I find they were not enrolled it Can be accounted for: for the reason her people were the class of people that resisted for time being to appear before the Commission for enrollment or to accept their allotment, they refused and this woman had to do according to what her father told her regardless of Mr Carey. I hope this will be Satisfactory and oblige
